Georgine Gleason, Chief Appraiser Oregon Department of Transportation

Topics: The Use of Extraordinary Assumptions in Appraisal Reports for ODOT and the Rounding Bulletin.

Bio: Georgine began her career as a commercial fee appraiser with an appraisal firm in Salem, Oregon. She received her certified general appraisal license in 2011. While a fee appraiser, she was a generalist and appraised many types of properties including; income producing (commercial and residential), specialty, farm, complex residential, eminent domain, subdivisions, transition land, etc. She also provided litigation support for the firm.

In 2011, Georgine began her career at the Oregon Department of Transportation. She has worked in the Right of Way unit at both Region and Headquarters as a Right of Way Agent, Right of Way Project Manager and Review Appraiser. In 2017, she became the Chief Appraiser.

Georgine lives in Salem, is married and has two boys, 8 and 11, who keep her very busy!
