

Epic Land Solutions, Inc., a full service right of way consulting firm, is recruiting ROW professionals for project work in Washington and Oregon, to be based in our Portland, Seattle or Spokane offices. Must be able to monitor timelines for multiple projects and demonstrate right of way proficiency to meet and surpass client and corporate goals. Collaborative mindset is a must.

**AGENTS:** The ideal candidate has five years of experience acquiring real estate and performing relocation services for transportation projects with ODOT or WSDOT oversight.

**PROJECT MANAGERS:** Five years of experience managing complex transportation work (acquisition, relocation, title, property management and cost estimation) with project budget oversight. Must have experience managing agents.

**REQUIREMENTS:**

- Current OR or WA Real Estate license – non-negotiable
- Ability to write/communicate clearly to internal staff as well as business owners, sellers and clients
- Able to analyze and interpret technical, financial and business-related text, government regulations, legal documents and appraisals
- Strong Excel skills required, spreadsheet creation essential
- Proficient in Microsoft Project 2010, Outlook, Word and SharePoint
- IRWA membership/designation preferred
- Two-year college degree
- Desire to work for the most innovative ROW company in the Pacific Northwest

At Epic, we offer our employees more than a job, and our successful employees embrace our forward thinking approach to ROW. Proprietary technical support and a solid business model at Epic encourage creativity and allow agents to design, build and find solutions that shape the future. We are currently working on a diverse range of projects that will challenge and inspire the right candidate who wants to learn, grow and energize his or her career.

Competitive salary and full benefits package.
