

Bio for Mike Stone

Oregon Department of Transportation
Right of Way Section

Mike is currently the Deputy State Right of Way Manager and Right of Way Operation Manager. As the Operations Manager he oversees the Appraisal Review, Title Services, Business Systems, and the Condemnation and Relocation Review programs.

Mike started his ODOT career with Right of Way as a Lead Senior Property Agent in the Property Management Unit and has held several management positions in Right of Way since. Prior to his current position Mike was a Programs Manager and Policy Advisor for Property Management, Outdoor Advertising Regulation, State Utility & Railroad Liaison and Access Management Research units. Prior to coming to ODOT, Mike had careers in commercial and residential real estate and later, real estate software development. Residing in Salem Oregon, Mike has been employed With ODOT for 15 years.
